EDUCATION

BACHELOR OF ENGINEERING | GRADUATING | LOYOLA ICAM COLLEGE OF ENGINEERING & TECHNOLOGY

CGPA: 8.3, Computer Science & Engineering

HIGHER SECONDARY | APRIL 2016 | LADY ANDAL MATRICULATION HIGHER SECONDARY SCHOOL

Percentage: 92.5%.

HIGH SCHOOL | APRIL 2014 | LADY ANDAL MATRICULATION HIGHER SECONDARY SCHOOL

Percentage: 96.4%.

WORK EXPERIENCE

INTERNSHIPS

FULL STACK DEVELOPER | SHIASH INFO SOLUTIONS PVT LTD | DEC 2018-FEB 2019

During my internship period, I collaborated with a team to generate an application using Android Studio. Working in a professional setting has not only helped me refine my basic understanding of Android coding, but has also permitted me to recognize the extensive process involved in mobile app development.

PROJECTS

IN-FIELD PREDICTOR | MINI-PROJECT | JUN 2018-FEB 2019

A Machine Learning algorithm to predict the most optimal position for soccer in the field based of physical attributes.

WEBSITE DEVELOPMENT | MINI_PROJECT | JUL 2018-AUG 2018

This mini-project was a team effort. We designed a dynamic website for the yearly cultural event held at our college. Working on this website helped me gain a comprehensive idea of the web development methodology, and I can confidently say that I'm capable of developing websites for any given specification.
